Efficient professional with 5+ years experience and proven knowledge of procurement, supplier management and inventory planning and forecasting.

Aiming to leverage my skills to successfully fill the management position role at your company

## SKILLS

- Logistics and material management
- Piping and Instrument Drawing (P&ID)
- Procurement planning
- Manufacturing engineering
- Supply chain management
- Waste management
- Material requirement planning
- Corporate social responsibility
- Procurement planning
- Enterprises recourses planning
- Inventory planning

## CERTIFICATIONS

- Certified and member in Kuwait society of Engineers (KSE)
- Master Diploma in Product Design and Analysis
- NPTEL Online certification on Manufacturing Systems technology (provided by IIT Kanpur)

## TRAINING & SEMINARS

- In-plant training on production department for 1 week at WABCO INDIA LIMITED, Chennai.
- In-plant training on production department for 4 days at TI CYCLES OF INDIA.
- In-plant training on production department at ICF, Chennai.
- Attended Seminar at EXPRO '15 on Non-Destructive testing at MIT-Chennai.
- Attended Seminar Conducted by SAE INDIA on Steering Systems & Vehicle Handling.

## PERSONAL DETAILS

- Date of birth : 21/07/1995
- Gender : Male/single.
- Nationality : Indian.
- Languages : Tamil & English

## CONTACT

Phone: +965-98017109,

Email:

[sabariesh1995@gmail.com](mailto:sabariesh1995@gmail.com)

Address : Block -2 Mahabula,  
Street No :208 , 2<sup>nd</sup> Floor , F4

- Organized meetings with other department engineers to improve the overall communications and Provided everyone with a point of contact for concerns or questions about part orders with that Initiated price negotiations and Created various documents used for tracking
