## Conflict Resolution

## Risk Mitigation

## Site selection

## Quantity Surveyor

## Quality management, material and resources management, quantity evaluation

## CERTIFICATES

---

Project Planning and Control  
Primavera P6 Professional  
Contract Management  
AUTO CAD, 3D CAD  
Cal Quan

## INTERNAL TRAINING COURSES

---

Project Control estimate  
Project Budgets  
Micro Soft Project  
Leadership Skills  
Communications & teamwork

## LANGUAGES

---

English, Hindi

## CORRESPONDENCE ADDRESS

---

Vill. & Post - Rakshan  
HPO - Dildarnagar  
Dist. – Ghazipur-232326  
(Uttar Pradesh)

- Created work schedules and adjusted them as needed to meet project deadlines. Recorded daily events and activities in a site diary to evaluate processes and improve productivity. Execution of Site with excellent communication skill. Excellent time management to finish the work schedule on time. Develop construction specifications and procedures
- Responsible for execution of Civil and Architectural works, residential, commercial, coordination with MEP (subcontractor) and infrastructure projects.
- Responsible for site progress and safety procedure at construction site and its compliance with regulation. Have good problem Solving with an analytic thinking
- Experience of hotel building, university building, slip form system, auto climb system, apartments, finishing, society amenities.
- Responsible for following up material submittals and procurement to the site as per project schedule.
- Managed construction equipment maintenance to minimize costs and avoid project disruption. Efficient Management and organization abilities

## Civil Engineer (Planning & Billing)

**Gammon India Limited– INDIA**

• Feb-2010 – Aug-2015

*Four Laning of NH-57, East West corridor Package-C-II/BR-3, 40.0KM (NHAI) Bihar Road*

*Project at 356 Core*

- Preparation of client bills (IPA) on monthly basis and submitted for approval and coordination with consultant, client for payment, project estimation & costing.
- Responsible for Preparation of Control estimate, Rate analysis of Bill of quantity (BOQ), variation order, work progress as per programmed.
- Planning, Scheduling, and Monitoring as per Programmed on MSP and Primavera
- Preparation of Sub-contractor/vender Work Order, billing, and checking billing of subcontractors for payment, Reconciliation of Major Materials.

## Civil Engineer- Structure

**Oriental Structure Engineering Private Limited– INDIA** • July-2007 – Jan-2010

*TNRSP-01 4Laning of Selam to Ullandurpet section-II -74.50 Km (Bridge & Road) at 100 Cores*

- Preparation o Responsible for the construction of supervision and maintaining the quality of Bridge length is 850M such as Pie foundation (Pilling), PSC-I Girder, Stressing, Grouting and launching of the girder, Strip Seal Expansion joint & Structures (Box, Slab, Pipe Culvert, etc.).
- Responsible for Launching of Girders by Crane & Gantry.
