

ALI ZUBAIR ASLAM

Manama, Bahrain

Contact Info:
00973-38039083

E-mail:
ali293.ma@gmail.com

Nationality:
Pakistani

Marital Status:
Single

PROFILE

A fresh Electrical engineer graduate looking forward to work as a successful individual and to add value to the organization that I will represent and serve.

EDUCATION

B.Sc. in Electrical Engineering (2018-2023)
University of Bahrain, Bahrain

WORK EXPERIENCE

MEGGER Limited – 2 Months
Project Co-Ordinator

ORGANIZATIONS

IEEE BAHRAIN (2019-Present) – Active Member

PROJECTS

PID Temperature Controller
Arduino based MPPT
PV Panel Controller
Pulse Width Modulator
Sample-Hold Circuits

CONFERENCES AND WORKSHOPS

1. Being an active member of IEEE, I was a part of the organizing team of the international conference MENACOM hosted by Bahrain in November 2019. The topic of this conference was “Communications for sustainable development”.
2. Webinar on “Circuit Breakers automatic testing with primary test”, held on 21st April 2020.
3. Webinar on “MATLAB/Simulink Real-Time Simulation”.
4. Python workshops, hosted by IEEE.

SKILLS

- Expert knowledge of MATLAB/Simulink and Multisim.
- Basic skills of Electrical AutoCAD.
- Expert knowledge of EAGLE(PCB)
- Microsoft Office skills
- Communication Skills
- Languages: English, Urdu/Hindi, Arabic (Basic Knowledge)
